Renaissance Fundraiser

Dear Parents/Guardians,

Our students work hard, and we love to reward them! Please consider supporting our flower fundraiser to help us provide the best reward system for our students at RMS! We take pride in rewarding our students for good grades, test scores, and behavior. With your purchase, we will be able to continue our incentives and recognition of our awesome students! Visit the link below to order. Everything will be shipped directly to you! We thank you in advance for partnering with us to support our next generation! 🌻🌻🌸
