

Polk School District Vision Project Recommendations Adopted for Strategic Plan

Georgia Vision Project Recommendation: 2.1

Promote public education as the cornerstone of American democracy by publicizing student and school successes through all available media.

Georgia Vision Project Recommendation: 3.2

Create public-private partnerships in local communities between local businesses and educational and human services organizations for the purpose of supporting early childhood initiatives that address healthy child/family development and economic benefits to the community.

Georgia Vision Project Recommendation: 3.4

Provide opportunities for all children from birth to five-years-old to participate in high quality learning experiences that are designed to promote all aspects of a child's development, whether provided by families in the home or through a licensed public or private program.

Georgia Vision Project Recommendation: 4.1

In order to provide an environment where students learn best, ensure that teachers work and plan together, learn and share effective teaching practices, and are provided support for their on-going learning.

Georgia Vision Project Recommendation: 4.2

In order to provide an environment where students learn best, ensure that teachers use a variety of technologies to teach and measure what students know and can do.

Georgia Vision Project Recommendation: 5.1

Evaluate and utilize the most effective instructional models and learning supports (i.e. digital, blended, competency, virtual, etc.) implemented by school districts.

Georgia Vision Project Recommendation: 5.2

Ensure full integration of current technology and training into the classroom.

Georgia Vision Project Recommendation: 5.4

Develop partnerships with business, industries, public agencies and the community to promote shared use of services and facilities.

POLK SCHOOL DISTRICT

Georgia Vision Project Recommendation: 6.1

Identify and recruit the most talented candidates into teacher preparation programs.

Georgia Vision Project Recommendation: 6.5

Organize personnel, distribute leadership and implement processes that maximize student learning.

Georgia Vision Project Recommendation: 8.1

Develop safe, orderly, supportive learning environments built on respect and encouragement where all individuals believe they can make a positive difference.

Georgia Vision Project Recommendation: 8.4

Determine stakeholder perceptions of schools and school districts.

Georgia Vision Project Recommendation: 8.6

Develop school and district cultures that are sensitive and responsive to the cultural, racial, ethnic and soci-economic make-up of the communities they serve.

Georgia Vision Project Recommendation: 8.7

Get to know and be willing to truly listen to the students in our schools.

Georgia Vision Project Recommendation: 9.3

Initiate an ongoing process at the local school district level for systematically evaluating all expenditures to enable the development and adoption of budgets that are focused on district strategies for maximizing student learning.
