

# ***Request For Proposal***

## ***Security Cameras***

Start Date: 04-14-2022

End Date: 05-04-2022 at 2:00 PM ET

Polk School District is requesting proposals for security camera additions and upgrades to all campuses. This will include the following scope of work:

Install 65 multi-view cameras with 360-degree viewing capability, 120 double view cameras, 120 domes, and 240 data drops. Several cameras will need to be relocated and adjusted. There will be approximately 287 analog cameras and the wire removed from the existing structures. Include all software upgrades, configuring and installation for the devices. The software must be exacqVision and the cameras must be Wisenet or equivalent.

### Facilities to be upgraded:

- Rockmart High School
- Rockmart Middle School
- Eastside Elementary School
- Van Wert Elementary School
- Cedartown High School
- Cedartown Middle School
- Westside Elementary School
- Northside Elementary School
- Youngs Grove Elementary School
- Cherokee Elementary School
- Transportation Facility
- Board of Education Office

**There will be a mandatory Pre-Bid meeting on Monday, April 25, at 9 am ET.**

Please contact the individual below to get more information about the cameras and installation.
