

## What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students and teachers develop together to help our students succeed. This compact provides strategies to help connect learning at school and home.

### Effective Compacts:

- Link goals to school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share specific strategies parents can use at home
- Explain how families and teachers will communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

### Jointly Developed

The parents, students, and staff of Rockmart High School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the summer/fall each year to review the compact and make changes based on student needs and school improvement goals. Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate and/or observe in a classroom, please contact Amanda Mohon at (770) 684-5432.

## Activities to Build Partnerships

Rockmart High School offers many opportunities for families, teachers, and students to build partnerships throughout the school year. Such opportunities include:

- Freshman Orientation
- Open House
- Dual Enrollment/AP Classes Night
- College Fair
- Annual Title I Meeting
- Parent Teacher Conferences
- Financial Aid Night
- National Honor Society Induction
- Title I Parent Input Meeting

### Communication about Student Learning

Rockmart High School is committed to frequent two-way communication with families about student's learning. Some of the ways you can expect us to reach you are:

- Open House
- Progress Reports/Report Cards
- Current Grades/Attendance in PowerSchool
- Parent Teacher Conferences
- Automated Phone Calls
- SchoolStatus
- School/Teacher Website
- District/School Facebook

Do you have questions about your child's progress?

Contact your child's teacher at (770) 684-5432 or via email. Email addresses are on the school website at <https://www.polk.k12.ga.us>.

Revised July 1, 2022

## 2022-2023 Polk School District Goals

### Goal 1: Student Success

Increase student achievement and post-secondary opportunities  
Improve Literacy for all students  
Foster growth and development of the whole child

### Goal 2: Professional Excellence

Hire and retain an exemplary workforce  
Provide High Quality Professional Learning  
Ensure continuous improvement in professional capacity

### Goal 3: Stakeholder Engagement

Increase community involvement and stakeholder partnerships  
Enhance communication and branding efforts of the district  
Create a positive culture and climate throughout the district

### Goal 4: Operational Effectiveness

Provide a safe and secure environment  
Plan and adapt for change  
Manage departments with efficiency

## 2022-2023 RHS Goals

Rockmart High School administrators, teachers, and parents have analyzed student performance data on benchmark assessments and EOC results.

### Rockmart High School will:

**Goal 1:** Increase student achievement and post-secondary opportunities

**Goal 2:** Improve literacy for all students

# Teachers, Parents, and Students - Working Together for Success

**9th-12th Georgia Standards of Excellence:** To prepare for college and career, your child will study mathematics, english, social studies, and science across the broad spectrum. ([www.georgiastandards.org](http://www.georgiastandards.org))

**Math:** Algebra, Functions, Modeling, Geometry, Statistics & Probability

**Social Studies:** Citizenship, World History, U.S. History, Economics

**Science:** Biology, Chemistry, Physics, Environmental Science, Earth Systems

**English:** 9th Grade Literature, 10th Grade Literature, American Literature, British Literature

### Planning for College and Career

At the beginning of high school, you are encouraged to sit down with your child's teachers, counselor, or advisor. It is important to discuss what it will take for your child to graduate, your child's goals, and the plan for after high school. Create a plan together to help your child reach these goals and stay on track.

### As a school, we will:

- Provide specific strategies to the family and student designed to target the focus area that can be practiced at home.
- Link school and grade level academic achievement goals.
- Align to parent and student responsibilities.

The teachers at RHS will work with students and families to support students in becoming proficient in core subject areas.

### As a parent, I will:

- Monitor my child's progress
- Review colleges and careers at home with my child
- Utilize tips and websites to help my child
- Use technology at home

RHS parents joined staff to develop ideas about how families can support students' success in becoming proficient in core subject areas.

### As a student, I will:

- Show up on time every day to school
- Be responsible for their Chromebooks
- Show up on time for Directed Studies
- Pay attention, study and use the opportunities available to further their education

RHS students joined staff and parents to develop ideas about how they can succeed in school and become proficient in core subject areas.
