Cedartown Pre- K Roundup
2015-2016

Pre-K registration for children who live in the Cherokee, Northside, Westside and Youngs Grove School Zone will be held at the Polk School District Board of Education the week of March 11-13, 2015 from 8:00 am to 12:00pm and 1:00pm – 4:00pm each day.

For your child to be registered, GA Department of Early Learning Pre-K requires the following information:

1. **Certificate of Live Birth** (certified copy not the hospital copy or copy of live birth)

2. **Immunization Certificate; Form 3231** (obtain from the Health Department or Pediatrician) or **appointment card** if your child has not turned 4 by March 11-13, 2015

3. **Hearing, Vision, Nutrition & Dental Certificate; Form 3300** (obtain at the Health Department or Pediatrician and Dentist) or **an appointment card** if your child hasn’t turned 4 by March 11-13, 2015

_The school will also need:_

4. **Copy of Child’s Social Security Card** (this will be your child’s school ID number)

5. **Utility Bill** (power, gas, or water to show proof of residency)

Please bring your child with you to registration for a brief speech screening.

If your child has an out of state birth certificate, it must be a certified copy with a state file number. If you have a non-certified copy of your child’s birth certificate, you will need to apply at the Vital Statistics Office in the state the child was born. This process takes six to twelve weeks to receive a new birth certificate. Please take this into consideration and do not wait until the last minute to obtain.

Currently your child must be four (4) on or before September 1, 2015 to attend Pre-K

House Bill 100 is currently being considered by the Georgia General Assembly. If passed the age requirements for Pre-K would change for the upcoming school year. It would require all children to be 4 years old by AUGUST 1, 2015.
