The school will also need:

4. **Copy of Child’s Social Security Card** (this will be your child’s school ID number)

5. **Utility Bill** (power, gas, or water to show proof of residency)

You must bring your child with you to registration for a readiness and communication screening.

If your child has an out of state birth certificate, it must be a certified copy with a state file number.
If you have a non-certified copy of your child’s birth certificate, you will need to apply at the Vital Statistics Office in the state the child was born. This process takes six to twelve weeks to receive a new birth certificate. Please take this into consideration and do not wait until the last minute to obtain.

**Your child must be five (5) on or before September 1, 2015 to attend Kindergarten.**
House Bill 100 is currently being considered by the Georgia General Assembly. If passed the age requirements for Kindergarten would change for the upcoming school year. It would require all children to be 5 years old by **AUGUST 1, 2015**.
