

POLK SCHOOL DISTRICT

Application for Full-time Distance Learning

Thank you for your interest in attending Polk School District full-time via distance learning. Students applying for full-time distance learning will not attend school, rather students will participate in virtual learning, independent study, video conferencing, and blended learning delivered from a variety of online platforms. Students will have access to highly qualified, certified teachers. The program is a viable option for students who work best outside the traditional school setting. A good candidate is an independent and motivated learner, persistent, and results driven. Students must have daily access to a working, reliable device and the internet. Successful students will possess basic computer skills such as a knowledge of how to email, utilize word processors, download items, and manipulate the internet. Polk School District Distance Learning is a Polk School District program. Students participating in the program maintain all rights associated with being a PSD student including eligibility to participate in clubs, athletics, proms and all other activities that occur at their respective school.

Please complete all information within this packet. The next step is that your student's respective school will contact you for approval and processing.

Student Name: _____ Date of Birth: _____

Address: _____ City: _____

Last Grade Level Completed: _____ School: _____

Email: _____ Phone #: _____

Do you have reliable internet service to complete assignments? Yes or No

Do you have a reliable device to complete assignments? Yes or No

Please list any extra-curricular activities/sports that you participate in:

POLK SCHOOL DISTRICT

Do you plan to continue participating in the above-mentioned activities? Yes or No

Please provide your reasoning for requesting full-time distance learning:

Please note:

*Students that enroll in distance learning will have a ten-day grace period during which they can elect to return to a traditional school setting. After the ten-day period, students will be required to complete the semester via distance learning.

**Students that fall behind in their courses will be required to attend a meeting at their respective school with a parent/guardian to develop an instructional plan to address areas of concern.
