“Help A Child Smile” is a mobile unit that can take care of all your dental needs. It comes to Northside five or more times a year and is available for all of Polk School District. It is really convenient and provides consistent dental care. You can request a dental application with your school nurse or you can call Help A Child Smile at 779-760-7900. They take private insurance or WellCare, Peachcare, or Amerigroup. They will even arrange for self-pay. Contact your school nurse for more information.
